

HOSE AND HOSE ASSEMBLIES

Bulk Hose

Hose Assemblies

Amvex Corporation is the only official manufacturer of UL listed, CE Marked and CSA Approved Medical Hose Assemblies in the world. Our bulk hose and hose assemblies are available in a variety of gases and configurations. All of our medical hose assemblies are 100% tested and quality inspected prior to leaving our facility. These hoses are also available in MRI options if required. To compliment our hose assembly line, we also carry a heavy duty Hose Retractor with a 48" high performance stainless steel cable. All of our hoses and hose assemblies are available in USA and ISO colors.

Single Spiral Hose Assemblies

Double Spiral Hose Assembly

The spiral hose is available in many combinations and colors.
Example: single, double, triple, quadruple, hose assemblies.

Standard working lengths available for spiral assemblies are: 10 FT, 15 FT, 20 FT (ex: a 3 FT coiled hose expands to 10 FT working length).
